

Special service offer: Apply until Dec 20, 2021

Expert Consultation on AI
for MedTech Companies

End of year offer for Expert Consultation Program

**How can AI help your business? How much would it cost your business to go smart?
What would you gain from investing in AI? Fraunhofer IKS can help you.**

Make use of the following services until the end of the year

- Free of charge one to one consultation with our experts in Medical AI.
- One to one workshops and focus groups for integrating AI into your business.
- Prototyping opportunities for selected projects.

How to apply

To participate in the program, please contact us by e-Mail by December 20, 2021.

Please include an introduction to your business, information on company size and market, your questions and a point of contact who wish to participate in the consultation meeting.
